# OMAR ABD EL-AZIZ SAIF EL-NASR

Master's Student, Data Analytics & AI · Licensed Pharmacist (Pharm.D) · Finance & Data Analytics

Cairo, Egypt | omarabdelaziz1515@gmail.com | +20 110 292 5305 | linkedin.com/in/omar-abd-el-aziz-86b3a019a

## PROFILE

Master's student in Data Analytics & Artificial Intelligence at Steinbeis University, Germany (online, in cooperation with AASTMT; November 2026 intake) and licensed pharmacist (Pharm.D, 2025). **Finance has been the common thread of my career:** global financial operations and debt-repayment management at AIESEC International; financial reporting, budget management and compliance at Educatly; credit-portfolio (delinquency) and revenue analytics at Sympl, a consumer-lending fintech; national financial planning and budgeting as Country Director of Finance and later Country Director of AIESEC in Egypt; project budget and cost management for AIESEC's global congress; and pricing and margin analysis at Taager. Skilled in SQL, Python, Tableau and Excel; fluent in English, native Arabic, intermediate French.

## EDUCATION

**Master of Arts (M.A.) in Data Analytics & Artificial Intelligence** — Nov 2026 – Nov 2027

Steinbeis University, Berlin, Germany, in cooperation with the Arab Academy for Science, Technology & Maritime Transport (AASTMT) · online, 12-month programme · **currently enrolled (November 2026 cohort); expected completion November 2027**

**Bachelor of Clinical Pharmacy (Pharm.D)** — Oct 2019 – Jul 2025

Capital University (formerly Helwan University), Faculty of Pharmacy, Cairo, Egypt

## PROFESSIONAL EXPERIENCE

**AIESEC International** · Remote — Nov 2025 – Present

*Global Finance Manager*

- Oversee global financial operations and the Incentive-Based Debt Repayment System (IBDRS) across AIESEC entities worldwide.
- Built automated financial-reporting and coaching pipelines consolidating data from four regional systems into daily and on-demand reports.
- Lead the Proud Financier commission and regional financial-clustering initiatives to strengthen entity financial health.

**Sympl Fintech Solutions (Buy Now Pay Later)** · Cairo, Egypt — Oct 2025 – Present

*Product Executive & Analyst · Part-time (on-site Oct 2025 – Mar 2026; remote since Mar 2026)*

- Analysed loan delinquency by bucket (Entry, 30+, 60+, 90+ days) to monitor the health of the consumer-credit portfolio and support collections.
- Built automated BigQuery → Google Apps Script pipelines delivering a daily sales and transaction report to leadership, including the CEO.
- Produced monthly cohort reporting on customer and transaction performance for management.
- Ran checkout-rejection and conversion analyses for key merchants, and measured how marketing campaigns converted into transactions.
- Designed customer-segmentation frameworks (including wallet-balance and zero-down-payment cohorts) for targeted retargeting campaigns.

**Educatly (Education Technology)** · Cairo, Egypt — May 2025 – Aug 2025

*Finance & Accounting Associate*

- Ensured accurate and timely financial reporting, applying sound accounting practices to the company's books and reconciliations.
- Managed and monitored budgets, tracking spending against plan and optimising the use of resources.
- Ensured compliance with internal policies and external financial requirements.
- Analysed financial data to provide management with strategic insights for decision-making.
- Identified and implemented process improvements that made finance and accounting workflows more efficient and accurate.

**AIESEC in Egypt** · Cairo, Egypt — Jul 2023 – Jul 2025

*Country Director (Dec 2023 – Jul 2025) · Country Director of Finance & Legalities (Jul 2023 – Jun 2024)*

- As Country Director of Finance, owned national financial planning, budgeting, cash-flow management and legal compliance; standardised financial reporting and controls across local chapters.
- As Country Director, directed national strategy and operations, kept oversight of the national budget and financial health of local chapters, led the national management team and represented Egypt in international forums.

**AIESEC International Congress** Oct 2023 – Jul 2024

*Project Manager*

- Led planning, logistics and delivery of AIESEC's flagship global congress for 200+ delegates.
- Managed the project budget, tracking costs and supplier payments against the approved plan.
- Built a live check-in tracker and real-time dashboards to monitor operations.

**AIESEC International** · Remote Dec 2022 – Jul 2023

*Data Analyst / Marketing Manager*

- Used data analysis to plan, track and measure global marketing campaigns.

**AIESEC in Helwan University** · Cairo, Egypt Dec 2020 – Feb 2023

*Branch Director (President) · volunteer leadership role alongside studies*

**Taager (E-commerce)** · Cairo, Egypt Oct 2021 – Feb 2022

*Commercial Analyst*

- Analysed pricing, margins and revenue to assess product profitability and support pricing decisions.
- Analysed commercial performance to support supply decisions.

**Eva Pharma** · Cairo, Egypt Aug 2021 – Oct 2021

*Medical Representative*

- Promoted pharmaceutical products to physicians and pharmacists and reported on market feedback.

**Tiye Solutions** · Cairo, Egypt Feb 2021 – May 2021

*Business Development Specialist*

**Majorel Egypt (Vodafone UK account)** · Cairo, Egypt Jun 2019 – Oct 2019

*Customer Service Representative (training Jun – Aug 2019; employed Aug – Oct 2019)*

- Provided English-language customer service to Vodafone UK customers after completing the company's training programme.
